a. Mission

The establishment of clandestine support facilities in the Latvian SSR for the purpose of contacting, organizing and developing agent and underground facilities for the performance of the OPC/OSS missions in the USSR.

b. Accomplishments

The three Latvian agents in Germany CAMUSOS 1, 2 and 3 have been reassessed and have agreed to proceed on a mission to Latvia in early fall 1952. The Latvian desk officer who has been on TDY in Germany for the above purpose as well as to enhance our control of the entire Latvian complex in Europe, is expected to return to Germany two weeks prior to dispatch so that final, sensitive operational arrangements are made by US staff personnel rather than by indigenous consultants and trainers.

A full report on the proposed operation will be forthcoming in the immediate future.

At present the Latvian PW and PA situation in Germany is being studied by the appropriate Headquarters case officer. Upon his return final PW and PA plans and decisions will be made.

The debriefing of British Latvian exfiltrees indicates that a small active and passive resistance movement exists in Latvia.
